(“All For Padel”) (collectively, “Defendants”) and alleges on knowledge as to its actions, and upon knowledge and information and belief as to the actions of others, as follows:

Nature of the Action

1. This action arises under the patent laws of the United States, 35 U.S.C. §§ 1, *et seq.*, from Defendants’ infringement of U.S. Patent No. 12,465,826 (the “’826 Patent” or the “Asserted Patent”).

The Parties

2. Plaintiff Sport Squad, Inc. d/b/a JOOLA is a corporation organized under the laws of Maryland with its principal operating business located at 915 Meeting Street, North Bethesda, Maryland.

3. Defendant All Racquet Sports LLC is a corporation incorporated under the laws of Delaware with its principal place of business at 4210 Metro Parkway, Fort Meyers, Florida 33916 and maintains as its registered agent Corporation Services Company located at 251 Little Falls Drive, Wilmington, Delaware 19808.

5. On information and belief, All Racquet Sports is the United States subsidiary of All For Padel.

6. On information and belief, Defendants manufacture, import, offer for sale, and sell pickleball paddles to resellers, distributors, and consumers throughout the United States, including in this District.

Jurisdiction and Venue

7. Subject matter jurisdiction is proper in this Court under 28 U.S.C. §§ 1331 and 1338(a) because the claims arise under the patent laws of the United States, 35 U.S.C. § 1 *et seq.*

8. This Court has personal jurisdiction over All Racquet Sports insofar as All Racquet Sports is incorporated in this District, and maintains a regular and established place of business at 251 Little Falls Drive, Wilmington, Delaware 19808.

9. This Court has personal jurisdiction over All For Padel because All For Padel has committed acts of infringement within this District through, for example, sale of the AdiPower Pro pickleball paddle.

10. On information and belief, Defendants engage in other persistent courses of conduct and derive substantial revenue from products or services and continuous contacts within this District, have purposefully established substantial, systematic, and continuous contacts within this District, and should reasonably expect to be sued in a court in this District.

11. On information and belief, Defendants regularly transact business within this District.

12. The Court's exercise of jurisdiction over Defendants will not offend traditional notions of fair play and substantial justice.

13. Venue in this District is proper pursuant to 28 U.S.C. §§ 1391(b), (c) and 1400(b).

The '826 Patent

14. On November 11, 2025, the U.S. Patent and Trademark Office ("USPTO") duly and legally issued the '826 Patent, entitled "Game Paddle." A true and correct copy of the '826 Patent is attached as **Exhibit 1**.

15. The '826 Patent describes a solid sports paddle, such as a pickleball paddle, and methods of manufacturing it with internal structures designed to affect the paddle's feel and performance during play. The technology described in the '826 Patent is implemented in infringing pickleball paddles including, but not limited to, the AdiPower Pro ("Accused Product").

16. Defendants have infringed and continue to infringe the '826 Patent making, using, selling, offering to sell, or importing products including, but not limited to, the AdiPower Pro.

17. Throughout its infringement, Defendants have had actual knowledge of JOOLA's '826 Patent and of Defendants' infringement of the '826 Patent

COUNT I

Patent Infringement of U.S. Patent No. 12,465,826

18. JOOLA realleges and incorporates by reference each of its allegations in paragraphs 1-16 of this Complaint.

19. JOOLA has not licensed or otherwise authorized Defendants to make, use, offer for sale, sell, or import any products that embody the inventions of the '826 Patent.

20. As shown in the attached non-limiting claim chart (**Exhibit 2**), by making, using (at least by testing), selling, offering for sale, and/or importing the Accused Product in this Judicial District and throughout the United States without license or authorization, Defendants are now and have been directly infringing at least claim 1 of the '826 Patent, either literally or under the doctrine of equivalents, as proscribed by 35 U.S.C. § 271, *et seq.*

21. Exhibit 2 is intended solely to satisfy the notice requirements of Federal Rule of Civil Procedure 8(a)(2), and does not represent JOOLA's preliminary or final infringement contentions or preliminary or final claim construction positions. JOOLA reserves the right to modify its infringement theories reflected in Exhibit 2 as discovery progresses in this case, including through contentions disclosures and claim construction in accordance with the Patent Local Rules in this District.

22. As a direct and proximate result of Defendants' direct infringement of the '826 Patent, JOOLA has been and continues to be damaged. Defendants' infringing activities will continue unless enjoined by this Court or until the patent expires, whichever is sooner.

23. By engaging in the conduct described herein, Defendants have injured JOOLA and are thus liable for infringement of the '826 Patent, pursuant to 35 U.S.C. § 271.

24. Defendants have committed and continue to commit acts of infringement that Defendants actually knew or should have known constituted an unjustifiably high risk of infringement of at least one valid and enforceable claim of the '826 Patent. Defendants' direct infringement of the '826 Patent has been and continues to be willful, intentional, deliberate, or in conscious disregard of rights under the patent. JOOLA is entitled to an award of treble damages, reasonable attorney fees, and costs in bringing this action

RELIEF REQUESTED

WHEREFORE, JOOLA requests that the Court enter a judgment in its favor and against Defendants and provide JOOLA the following relief:

- A. Entry of judgment declaring Defendants' have infringed one or more claims of the '826 Patent;
- B. Entry of judgment declaring that Defendants' infringement of the '826 Patent has been willful and deliberate;
- C. An order pursuant to 35 U.S.C. § 283 permanently enjoining Defendants, their officers, agents, servants, employees, attorneys, and those persons in active concert or participation with them, from further acts of infringement of the '826 Patent;

- E. An order awarding JOOLA treble damages under 35 U.S.C. § 284 as a result of Defendants' willful and deliberate infringement of the '826 Patent;
- F. Entry of judgment declaring that this case is exceptional and awarding JOOLA its costs and reasonable attorney fees under 35 U.S.C. § 285; and
- G. Such other and further relief as this Court may deem just and proper.
